

Hugo Frias

Summary

I'm a 23-year-old curious person with a passion regarding the technological field. That curiosity led me to enroll in a Informatic Engineering Bsc, having completed it after 4 years of learning with resilience and determination. Now, I'm currently working as a software developer at CiberBit SA, helping to build our healthcare management software: I'M THOM.

Experience

CiberBit S.A.: 03/2022 – Current

- Implemented a variety of features on their Healthcare Management Software on both front-end and back-end
